No.	Reference of RFO	Amendment
2	Section III Qualification and Evaluation Criteria A.4 Technical Evaluation Firm Experience and Relevant Portfolio Criterion 1.3	**Original text:** Experience in two (2) cable manufacturing surveillance, FATs, jointing/termination systems, marine cable installation, burial and post-lay verification. **Replaced by:** Experience in at least two (2) projects. Demonstrated experience across at least two projects must collectively include: cable manufacturing surveillance, Factory Acceptance Tests (FATs), jointing/termination systems, marine cable installation, cable burial, and post-lay verification. It is not required that each project includes all of the listed activities.

Except as expressly amended by this Addendum, all other terms and conditions of the RFO remain unchanged and shall remain in full force and effect in accordance with their terms.
